

Cohuna Bridge to Bridge

March 3rd 2019

The Cohuna Bridge to Bridge has been an inspirational event in our local community for more than 25 years. The event raises money for Cohuna District Hospital and this year will support purchasing of new equipment for the dialysis and infusion day clinic.

2019 is going to be bigger and better than ever with the event having a brand new committee and some exciting new events. The Cohuna Bridge to Bridge will see the introduction of 21.1km and 12.5km trail runs and a 1.6km Mini Miler especially for the kids. It will also include existing favourites such as the 6.5km run/walk, 50km and 25km cycle and the 6.5km junior cycle.

With all that said we have exciting news! The Bridge to Bridge committee is looking for sponsors to support the event. Your support will ensure the event succeeds at delivering more funds to the hospital all whilst bringing tourism, encouraging community spirit and inspiring an active lifestyle.
