

29th Cohuna Bridge to Bridge
March 6th 2022

Dear supporter,

The Cohuna Bridge to Bridge has been an inspirational event in our local community for almost 30 years. Each year, it raises money for Cohuna District Hospital, with over \$37,000 being donated in the last three years alone.

The Cohuna Bridge to Bridge is set to return on March 6, 2022. The committee invites you to support the Bridge to Bridge which receives widespread coverage across radio, print and online mediums, and social media. Not only does the event support our local hospital, it brings tourism to the district, encourages community spirit and inspires an active lifestyle.

We are continuing our sponsorship packages for 2022 to ensure the event is a success. These packages range from small cash donations, goods or services, through to overall event sponsorship. In addition, you will have the opportunity to promote your local business on the day, regardless of the sponsorship value. Your flag or banner can be displayed in our event village for all to see.

The last two years have been challenging and we understand that our community, including businesses like yours, has been impacted, and you may not be in a position to offer sponsorship.

2022 is going to be bigger and better in all aspects as people look to improve their health and wellbeing and engage with their local community. The Cohuna Bridge to Bridge is a well-respected community event and both the local community and participants from across the state are keen to be involved.

If any of these packages on the table overleaf take your interest, please complete the attached form, return it to us by January 14 and an invoice will be issued. Forms can be returned after that date, however, we cannot guarantee full advertising opportunities.

Please note, if you have previously sponsored the event, we are now auspiced by Cohuna Neighbourhood House and the bank details will be different to previous years.
