

30th Cohuna Bridge to Bridge
March 5th 2023

Dear supporter,

The Cohuna Bridge to Bridge is an annual sporting event in our community that raises money for Cohuna District Hospital. Over the last four years alone, \$55,000 has been donated for hospital equipment and projects.

On March 5, 2023, we will celebrate the Cohuna Bridge to Bridge's 30th anniversary. It is hard to believe that a small bet between mates has become the huge, well-respected community event it is today, with hundreds of people from the local community and across the state flocking to Cohuna to be involved each year.

The organising committee invites you to support the Cohuna Bridge to Bridge in 2023 so we can deliver another successful event and raise even more money for the hospital. Your contribution will ensure a high-quality, high-profile event that locals and the wider running and cycling community have come to expect and enjoy.

30 years is testament to the event's continued success – and when we celebrate the 30th anniversary in 2023, you can be assured that your business name will be associated with an event that supports our local hospital, brings tourism to the district, encourages community spirit and engagement and inspires an active lifestyle.

Our sponsorship packages range from small cash donations, goods or services, through to overall event sponsorship. With the event receiving widespread coverage across radio, print and online mediums, and social media, you can be assured that your support will be broadly publicised. Additionally, you have the opportunity to promote your business on event day by displaying your flag or banner in our event village for all to see.

Don't delay – Diamond and Gold sponsorship packages are limited and go quickly, so secure yours soon. If any of the packages on the table overleaf take your interest, please complete the attached form, return it to us by January 13 and an invoice will be issued. Forms can be returned after that date, however, we cannot guarantee full advertising opportunities.
